CLIA # 15D0647198 • CAP# 1678930 • Hours of Operation: Monday through Friday, 7:00am to 4:30pm

Specimen Requirements and Shipping Instructions

Whole Blood	3-5 mL of whole blood in EDTA (purple top tube) for routine tests. Ship overnight at room temperature.
DNA	Send at least 1 µg of genomic DNA with a minimum concentration of at least 20 ng/µL in a screw cap tube. Ship overnight at room temperature. Note: DNA must have been extracted in a CLIA-certified laboratory.
Saliva	Send at least 2 mL utilizing an Oragene collection device. IMPORTANT: No eating, drinking, smoking or chewing gum 30 minutes prior to collection. Ship overnight at room temperature.

- Please use sterile technique and close all containers tightly.
- Please label all containers with patient name, hospital number, and date of collection.
- Please attach a completed requisition form, including diagnosis with the sample.
- IU Medical Center campus samples should be delivered to the laboratory on the same day of sample collection. If the sample is collected after business hours or missed the transportation pick-up time, please keep the sample in the refrigerator or at room temp and deliver to laboratory as soon as possible the next business day.
- Samples from off site should be shipped at room temperature for overnight delivery directly to the laboratory's address listed at the top front of this requisition form.
- Grossly hemolyzed or clotted blood specimens will be rejected.

CANCELLATION POLICY

Cancellation of test orders must be received within 48 hours of sample receipt in the laboratory.

Testing scheduled for STAT/priority processing cannot be canceled after sample receipt due to adjusted lab processing.

To cancel testing, call (317) 274-7597 within 48 hours of sample receipt.

Note: A handling fee may be assessed for initial processing of the sample prior to test cancellation.

To revise requested testing, call (317) 274-7597 to determine the status of the patient's sample in lab and discuss available options.
